Home

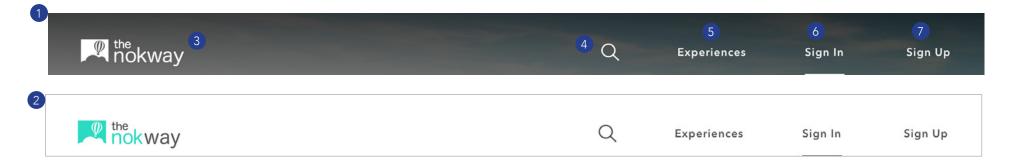

ANNOTATIONS

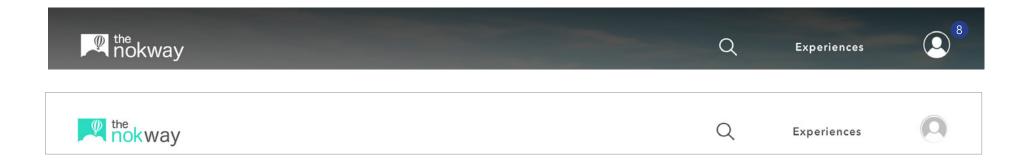

- 1 TOP NAV BAR See "Top Nav Bar".
- 2 QUESTIONNAIRE See "Home - Featured Experiences".
- 3 FEATURED EXPERIENCES See "Home - Featured Experiences".

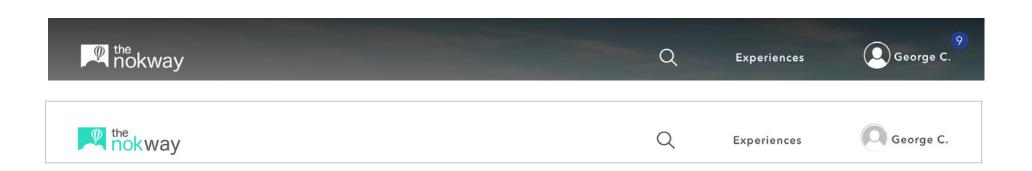

Animation: Scrolls up in parallax, covering the questionnaire section.

- 4 WHAT CAN YOU FIND IN AN EXPERIENCE Static icons showing the things that might be included in an experience.
 - Animation: when user scrolls to this section, the icons "pop" in one at a time.
- 5 EXPERIENCES IN PHOTOS
 See "Home Experiences in Photos".
- 6 FOOTER
 See "Footer".
- 6 WE'RE ONLINE BUTTON
 Opens a Zendesk live chat window. Stays floating in place as the user scrolls down the page.

Top Nav Bar (1/2)

ANNOTATIONS

- 1 TOP NAV BAR TRANSPARENT This version only appears against the full screen image at the top of the home screen.
- 2 TOP NAV BAR WHITE
 This version appears everywhere else on the site.
- 3 NOKWAY LOGO
 Clicking takes the user to the home screen.
- 4 SEARCH ICON
 Clicking opens the search bar.

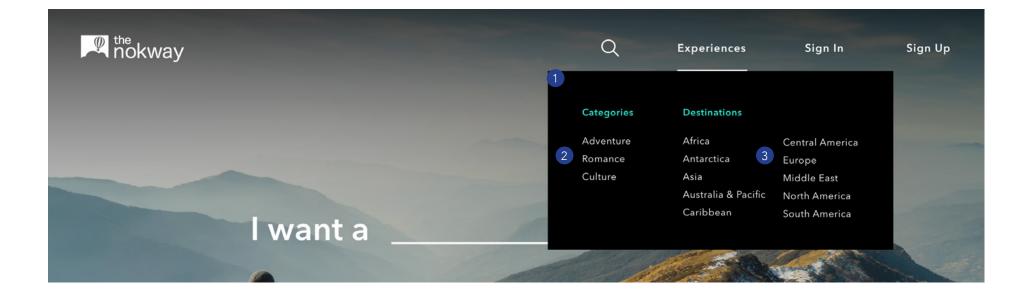

Animation: search bar and cursor fade in as search icon becomes grey and slides to the left of the search bar.

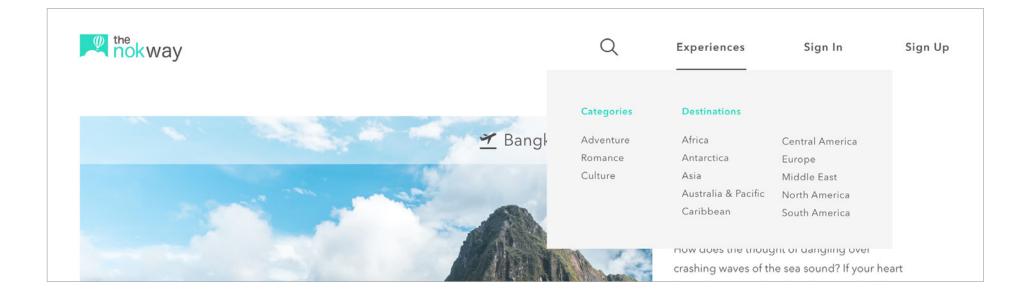

- 5 EXPERIENCES

 Hovering opens the Experiences Dropdown

 Menu. Clicking takes the user to the Experiences screen.
- 6 SIGN IN
 Clicking opens the "Sign In" pop up.
- 7 SIGN UP Clicking opens the "Sign Up" pop up.
- 8 ACCOUNT ICON
 Hovering opens the Account Dropdown Menu.
 Clicking takes the user to Account About Me.
- 9 FIRST NAME AND LAST INITIAL Shown if available.

Top Nav Bar (2/2)

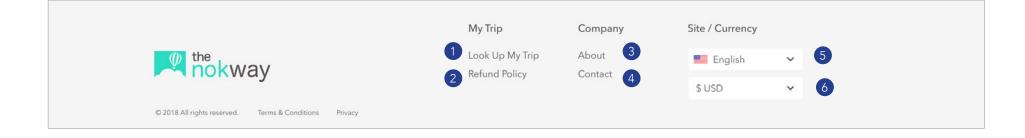

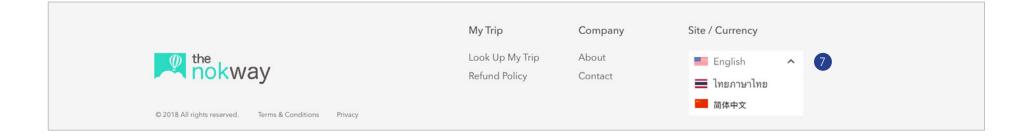

ANNOTATIONS

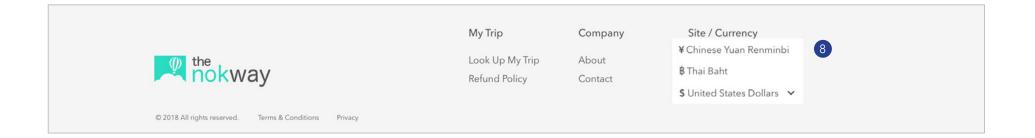

- 1 EXPERIENCES DROPDOWN MENU Lists all the possible category and destination filters.
- CATEGORIES Clicking a category takes the user to a search page, pre-filtered to show only experiences in that category.
- 3 DESTINATION

 Clicking a destination takes the user to a search page, pre-filtered to show only experiences in that destination.

Footer

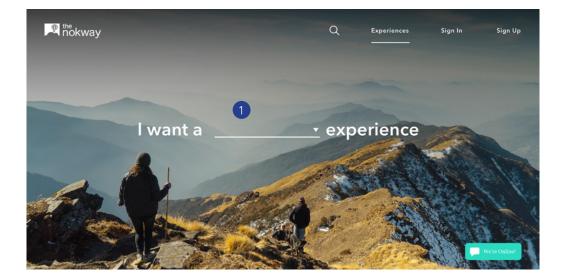

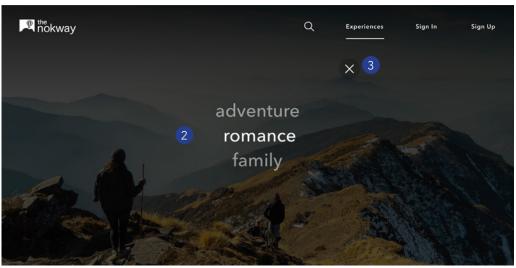

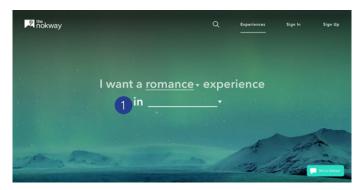

ANNOTATIONS

- 1 LOOK UP MY TRIP Clicking takes the user to the "Look Up My Trip" page.
- 2 REFUND POLICY Clicking takes the user to the "Refund Policy" page.
- 3 ABOUT Clicking takes the user to the "About" page.
- 4 CONTACT
 Clicking takes the user to the "Contact" page.
- 5 LANGUAGE SELECTION
 Clicking opens the Language Dropown Menu.
- 6 CURRENCY SELECTION
 Clicking opens the Currency Dropown Menu.
- 7 LANGUAGE DROPDOWN MENU Selecting an option changes the language for the entire website.
- 8 CURRENCY DROPDOWN MENU
 Selecting an option changes the currency for the entire website.

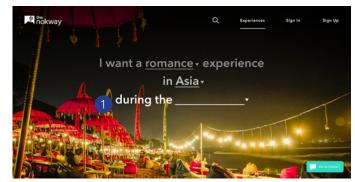

Home - Questionnaire

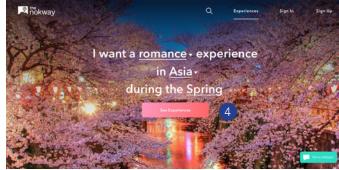

ANNOTATIONS

Each question has a blank space that the user can click to see the options for that question. After a selection is made, the question line moves up and the next question appears. After the user fills in all three questions, the "See Destinations" button appears.

Animation: The questions and options lists fade in and out as the user clicks through the qustionnaire.

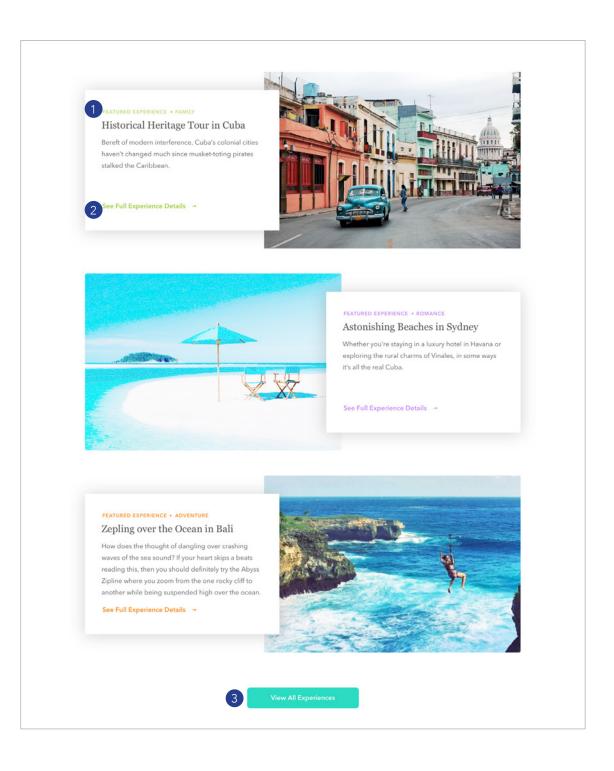

2 OPTIONS LIST

Shows all the options for that question. The option in the middle of the screen is the selected option and is shown in bright white. As the user scrolls, only the options move up and down, snapping into the middle space.

3 CLOSE BUTTON
Clicking fades out the option list and fades in the previous question

4 SEE DESTINATIONS BUTTON
Clicking takes the user to the Search Results
screen, pre-filtered based on the three selections.

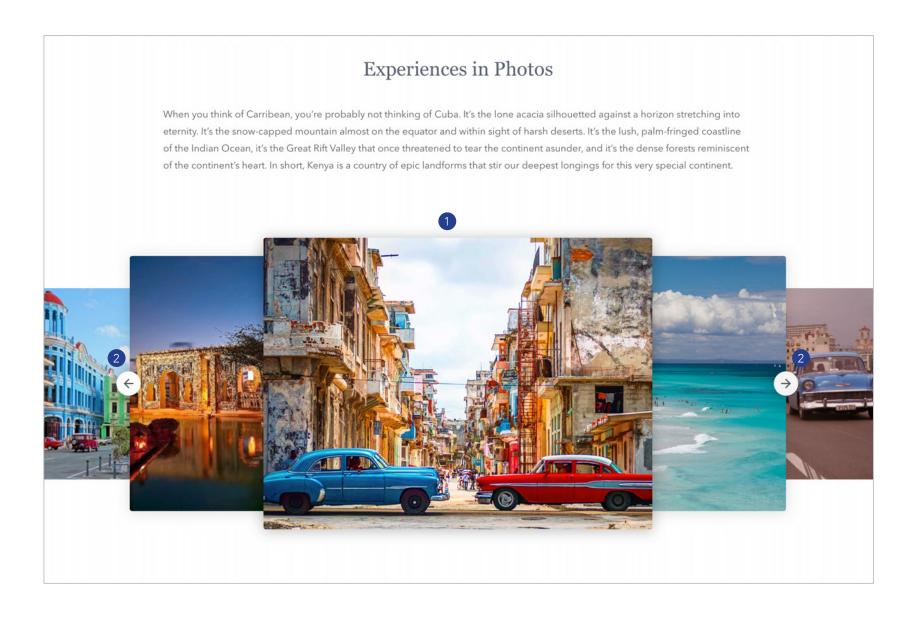

Home - Featured Experiences

ANNOTATIONS

- 1 CATEGORY LINE Font color is green for family experiences, purple for romance experiences, and orange for adventure experiences
- 2 SEE FULL EXPERIENCE DETAILS
 Clicking takes the user to the "Experience Detail" page for that experience.
- 3 VIEW ALL EXPERIENCES BUTTON
 Clicking takes the user to the "Experiences" page...

Home - Experiences in Photos

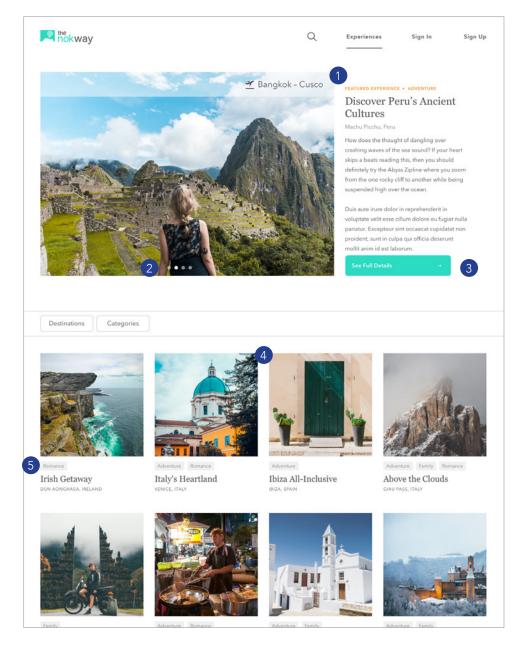

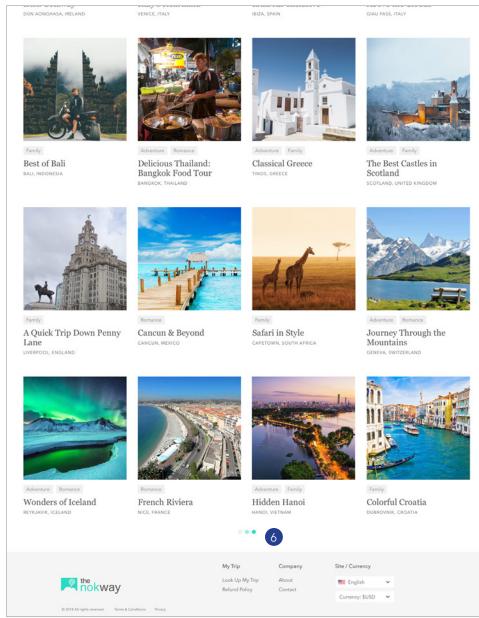

ANNOTATIONS

- 1 PHOTO CAROUSEL Showcases photos from various experiences.
- 2 ARROW BUTTONS

 Move the photo carousel forward or backward one photo.

Experiences

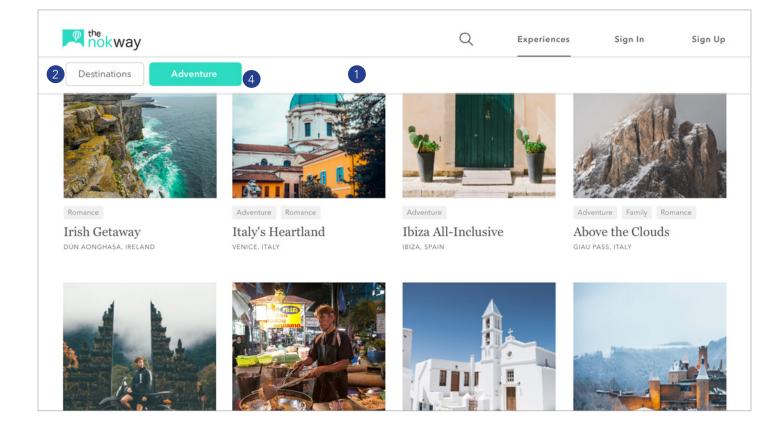

ANNOTATIONS

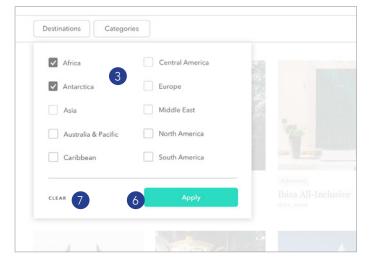

1 FEATURED EXPERIENCE CAROUSEL Carousel automatically slides between images after 5 seconds each, on a continuous loop.

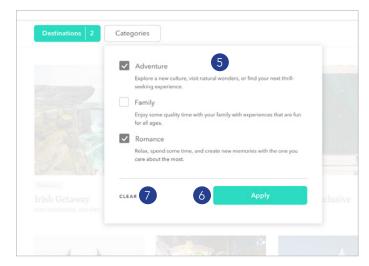

Animation: When transitioning to the next experience, the photo slides to the left within its container and the next photo slides in within the same container. While the photo is changing, the category line, title, location, and description fade out and the new info fades in.

- 2 CAROUSEL DOTS Dots show the number of experiences in the featured experience carousel. The corresponding dot is highlighted. Clicking on a dot takes the user to the respective featured experience.
- 3 SEE FULL DETAILS
 Clicking takes the user to the Experience Detail page for that experience.
- 4 EXPERIENCE THUMBNAIL GRID
 Uses lazy loading. Shows category tag(s), title,
 location, and photo for each experience. Clicking on the photo or the title takes the user to
 the Experience Detail page for that experience.
- 5 CATEGORY TAG
 Clicking on a tag filters the Experiences page
 to show only that category. The corresponding
 filter button changes to match..
- 6 LAZY LOADING ANIMATION
 Appears when user reaches the bottom of the loaded experience grid, disappears when more thumbnails load.

Experiences - Filters

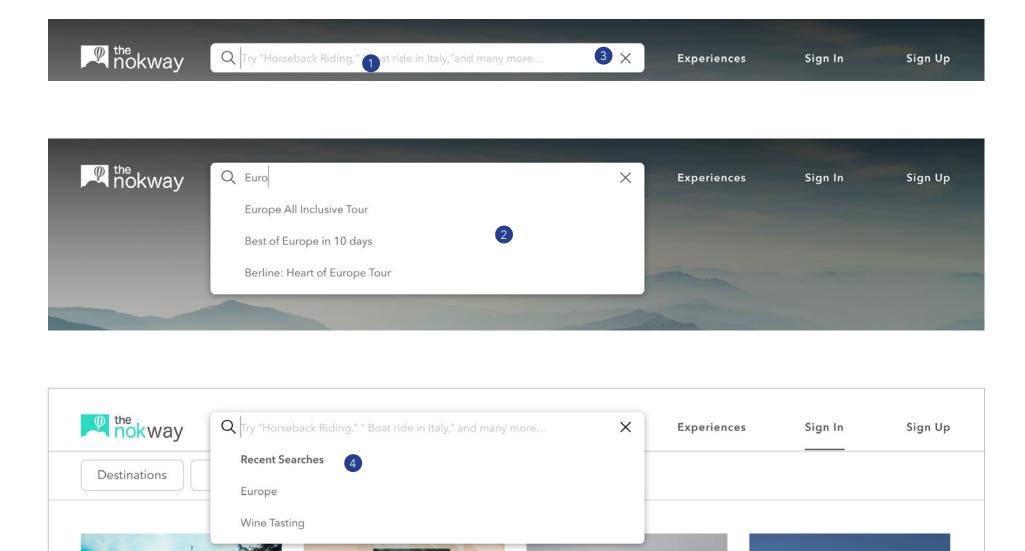

ANNOTATIONS

- 1 FILTER BAR
 Contains the Category and Destination filter menus. Sticks to the top of the page (under the top nav) as the user scrolls down.
- DESTINATIONS FILTER BUTTON
 Clicking opens the Destinations Filter Dropdown Menu. If no filters are selected, the text on the button reads "Destinations". If one filter is selected, the text on the button shows the selected filter (i.e. "Asia"). If multiple filters sre selected, the button reads "Destinations" + the number of selected filters.
- 3 DESTINATIONS FILTER DROPDOWN MENU Lists the possible destination filters with checkboxes.
- 4 CATEGORIES FILTER BUTTON
 Clicking opens the Categories Filter Dropdown Menu. If no filters are selected, the text on the button reads "Categories". If one filter is selected, the text on the button shows the selected filter (i.e. "Adventure"). If multiple filters are selected, the button reads "Categories" + the number of selected filters.
- 5 CATEGORIES FILTER DROPDOWN MENU Lists the possible category filters with checkboxes.
- 6 APPLY BUTTON
 Clicking applies the checked filters and changes the button text (see above).
- CLEAR Clicking deselects all filters in the current dropdown menu.

Search

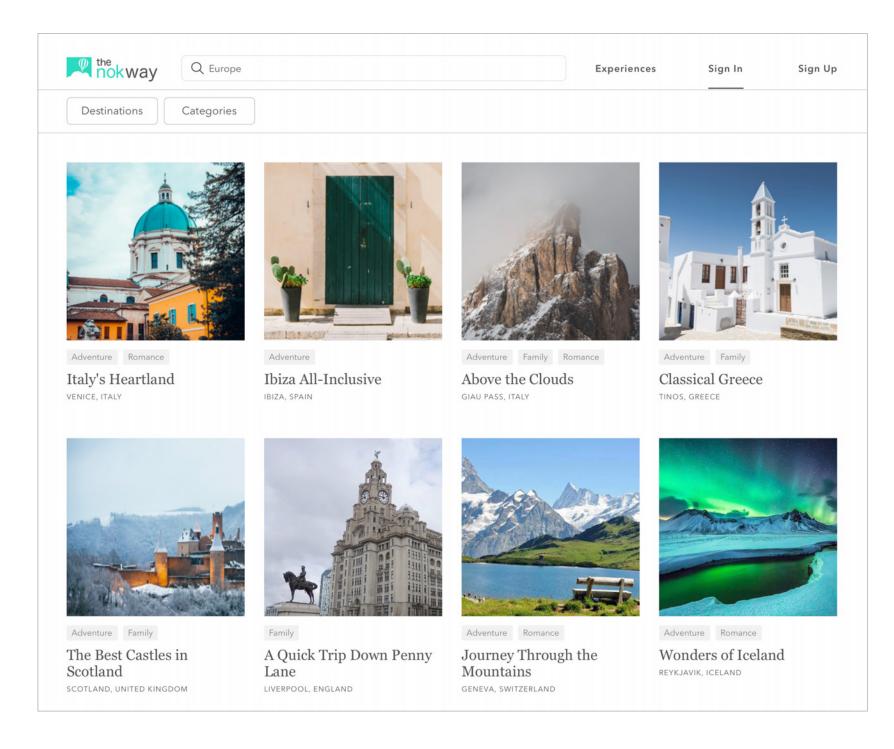

ANNOTATIONS

- 1 SEARCH BAR
 Displays sample text if no text has been entered.
- 2 TYPE AHEAD SEARCH SUGGESTIONS
 Dynamically update as the user types. Clicking on a suggestion takes the user to the search results for that suggestion.
- 3 X ICON
 Clicking clears the text in the search bar.
- RECENT SEARCHES

 If the user has any recent searches they are displayed before the user begins typing. Clicking on a recent search takes the user to the search results for that search.

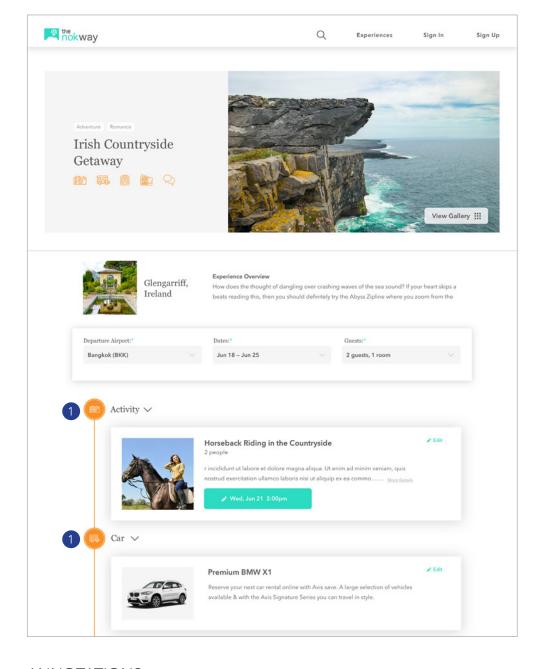

Search Results

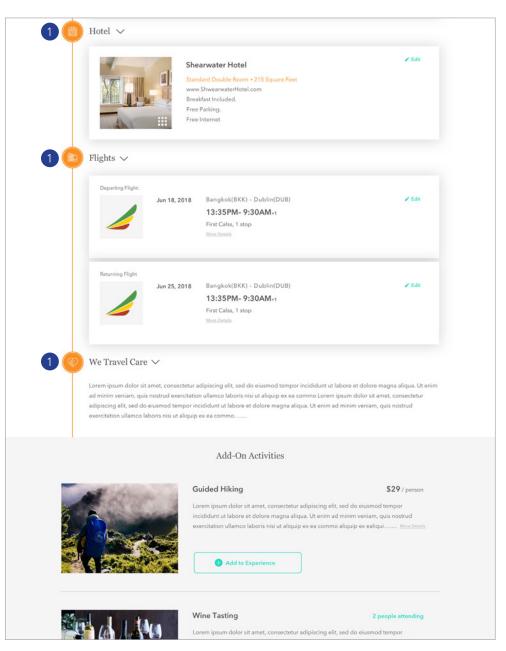

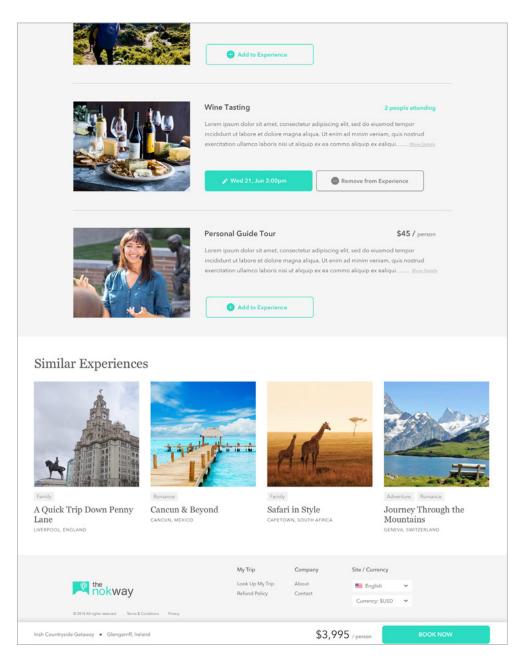

ANNOTATIONS

- 1 SEARCH RESULTS FILTER BAR Same behavior as Experiences filter bar.
- SEARCH RESULTS THUMBNAIL GRID Same behavior as Experiences Thumbnail Grid.

Experience Details

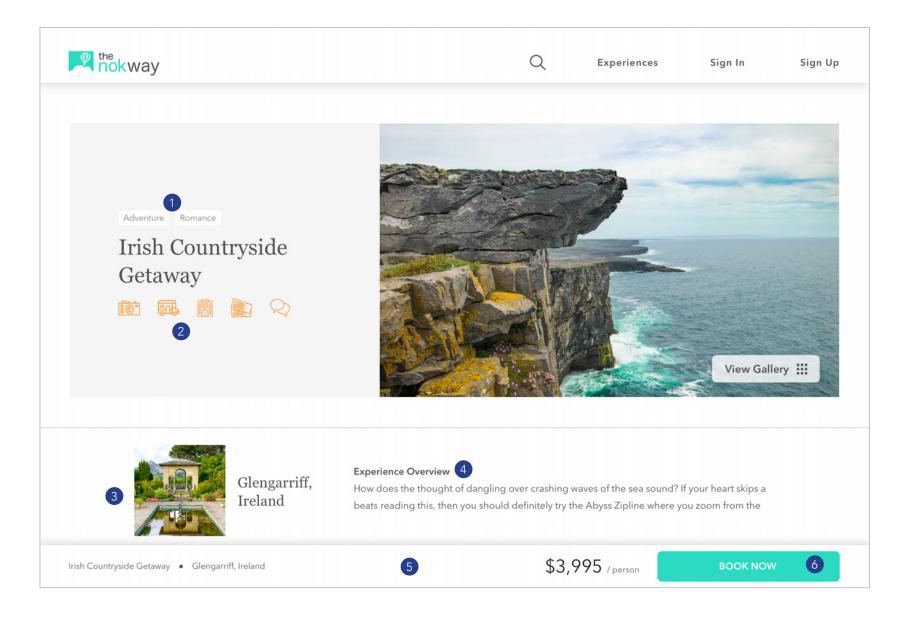

ANNOTATIONS

1 TIMELINE WITH ICONS
Icons for Activity, Car, Hotel, Flight, and We Travel Care. Orange for "adventure" experiences, purple for "romance" experiences, and green for "family" experiences.

Experience Details - Overview & Book Now Bar

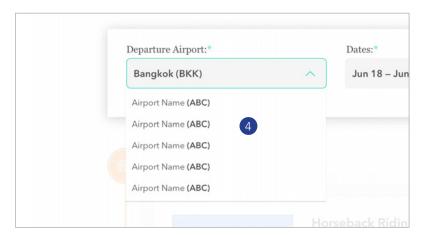

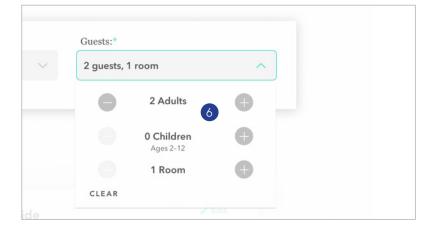

ANNOTATIONS

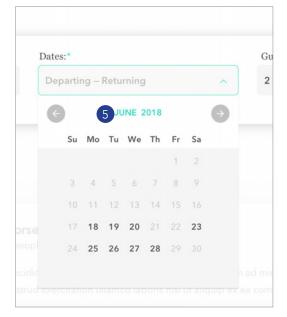

- CATEGORY TAGS
 Clicking on a tag takes the user to the Experiences page, pre-filtered with only that category.
- 2 WHAT'S INCLUDED ICONS
 Shows the icons that correspond to the things included in the current experience (flights, activity, car, hotel, We Travel Care). Color is based on category.
- 3 LOCATION THUMBNAIL Static image representing the location of the experience.
- 4 EXPERIENCE OVERVIEW
 A brief description of the experience.
- BOOK NOW BAR
 Sticks to the bottom of the page. Dynamically displays the price per person of the experience based on the current selections.
- 6 BOOK NOW BUTTON Clicking takes the user to "Checkout - Review Experience Details".

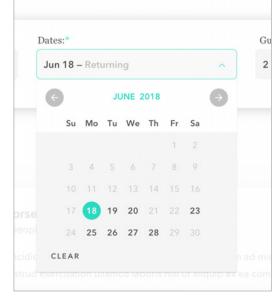

Experience Details - Trip Info Bar

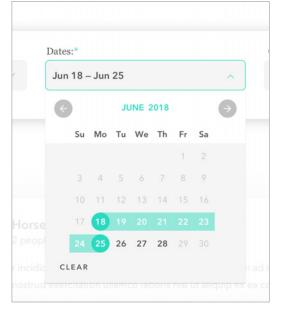

ANNOTATIONS

1 DEPARTURE AIRPORT

Opens the Departure Airport Dropdown Menu. A default option is pre-loaded. After a new selection is made, all of the details and options of the experience update below.

- 2 DATES
 Opens the date picker. Default trip dates are pre-loaded. After a new selection is made, all of the details and options of the experience update below.
- 3 GUESTS
 Opens the Guests and Rooms picker. Defaults to 2 guests and 1 room. After a new selection is made, all of the details and options of the experience
- DEPARTURE AIRPORT DROPDOWN MENU
 Displays the list of available departure airports. Clicking an option updates the departure airport.
- 5 DATE PICKER

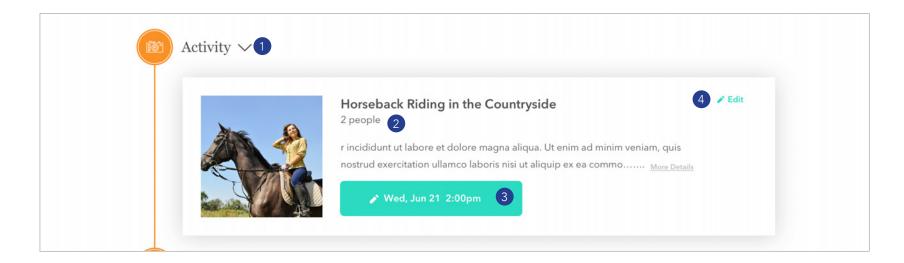

update below.

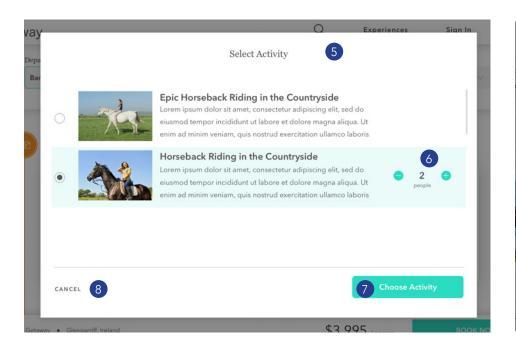

Unavailable dates are greyed out. Clicking an available date selects it as the departing date. Clicking another available date selects it as the returning date. Clicking again clears the returning date and selects the new date as the departing date. Clicking "Clear" clears the date selections. Clicking the arrows moves the calendar forward or backward one month.

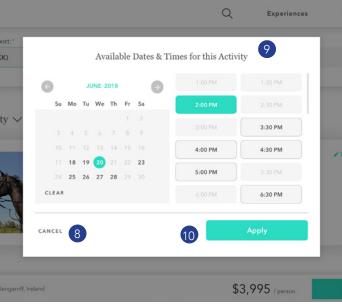

6 GUESTS AND ROOMS PICKER

Clicking the "+" and "-" buttons change the number of guests and rooms for the experience, up to a pre-determined maximum. The allowed age range for children is displayed underneath the Children line. If children are not allowed in that experience, the Children line is not displayed.

Experience Details - Activity

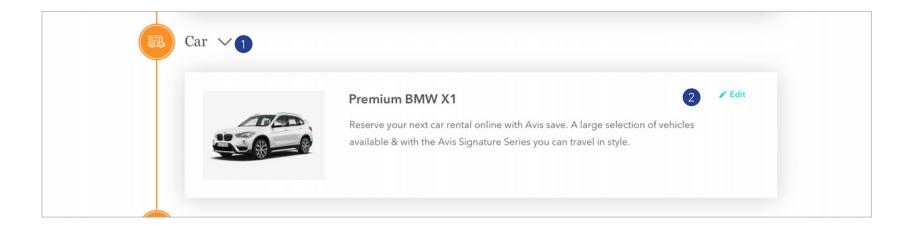

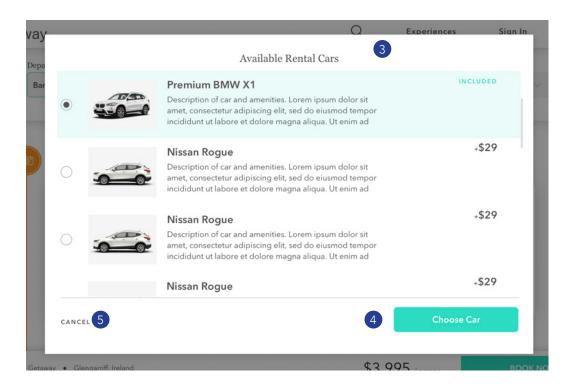

ANNOTATIONS

- 1 COLLAPSE ARROW
 Collapses the activity section.
- NUMBER OF PEOPLE Displays the number of people who will take part in the activity.
- 3 ACTIVITY TIME BUTTON
 Opens the "Available Dates & Times" pop up.
- 4 EDIT
 Opens the "Select Activity" pop up.
- 5 SELECT ACTIVITY POP UP
 Displays the available activities for the experience, with radio buttons.
- 6 NUMBER OF PEOPLE SELECTOR
 Clicking "+" or "-" changes the number of people who will take part in the activity.
- CHOOSE ACTIVITY

 Closes the pop up and changes the Experience Details to show the selected activity and number of people.
- 8 CANCEL Closes the pop up without making changes.
- 9 ACTIVITY DATES AND TIMES POP UP Allows the user to select from the available dates and times for the activity. Unavailable dates are greyed out. Unavailable times are not shown.
- APPLY
 Closes the pop up and changes the Experience Details to show the selected date and time for the activity.

Experience Details - Car

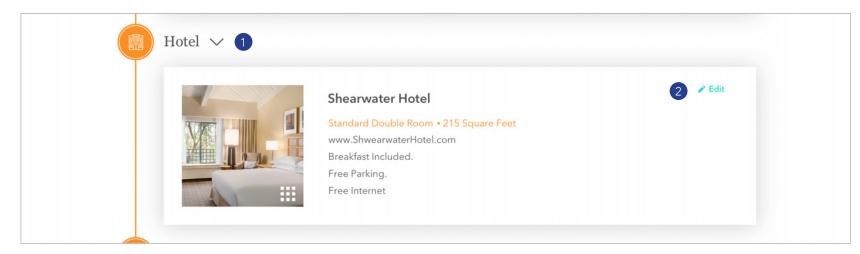

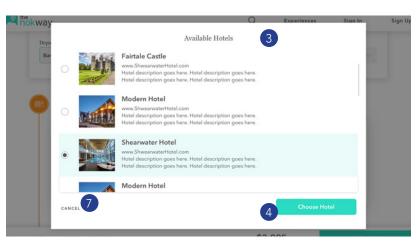

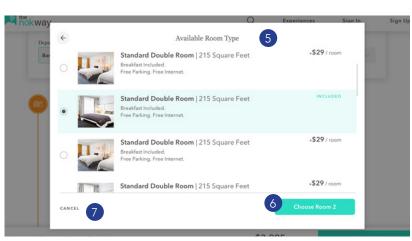

ANNOTATIONS

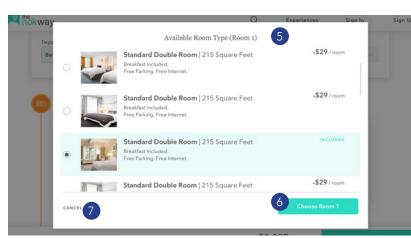

- 1 COLLAPSE ARROW Collapses the car section.
- 2 EDIT
 Opens the "Available Rental Cars" pop up.
- 3 AVAILABLE RENTAL CARS POP UP
 Displays the available car rentals for the experience, with radio buttons. If
 there is an additional cost, it is displayed to the right. If there is no additional cost, the word "included" is displayed.
- 4 CHOOSE CAR
 Closes the pop up and changes the Experience Details to show the selected car.
- 5 CANCEL
 Closes the pop up without making changes.

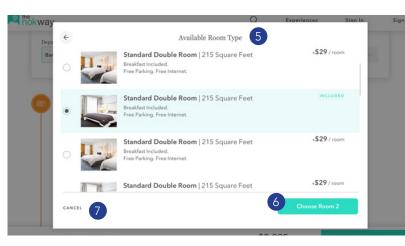

Experience Details - Hotel

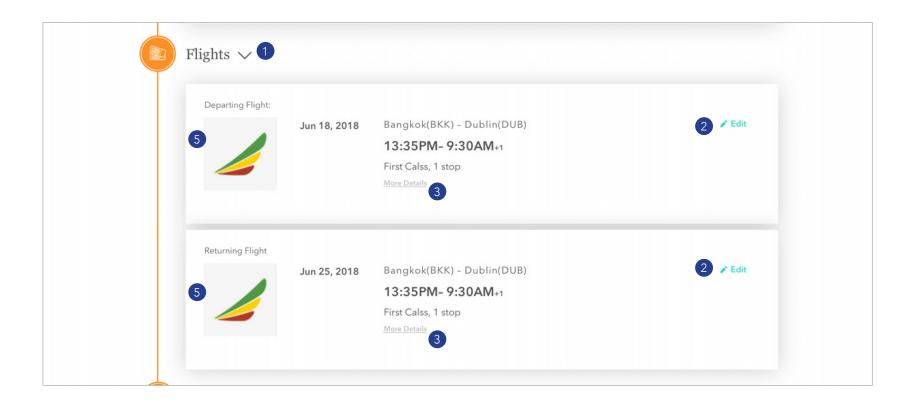

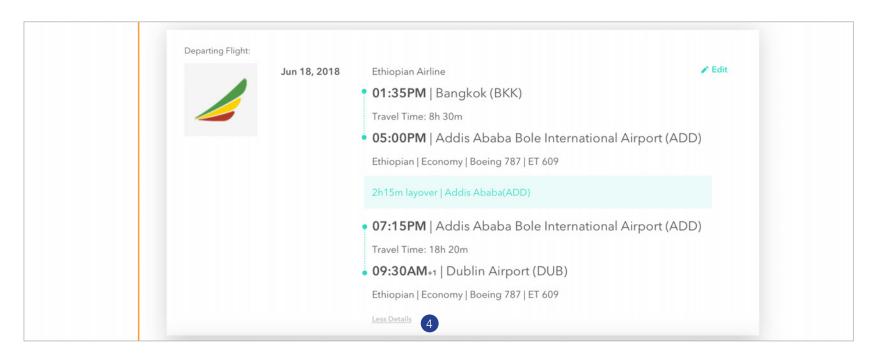

ANNOTATIONS

- 1 COLLAPSE ARROW Collapses the hotel section.
- 2 EDIT
 Opens the "Available Hotels" pop up.
- 3 AVAILABLE HOTELS POP UP
 Displays the available hotels for the experience, with radio buttons.
- 4 CHOOSE HOTEL Selects the hotel and switches to the "Available Room Types" pop up.
- Displays the available rooms for the selected hotel, with radio buttons. If more than one room is required, the room number is displayed in the header. If there is an additional cost for a room type, it is displayed to the right of the room. If there is no additional cost, the word "included" is displayed.
- 6 CHOOSE ROOM
 Selects room type for that room. If no additional rooms are required, the pop up closes and the Experience Details page is updated with the new hotel information. If more rooms are required, the pop up switches to the next room and the user repeats the process. If multiple rooms must be selected, the button displays the number of the current room being selected.
- 7 CANCEL Closes all pop ups without making changes.

Experience Details - Flights (1/2)

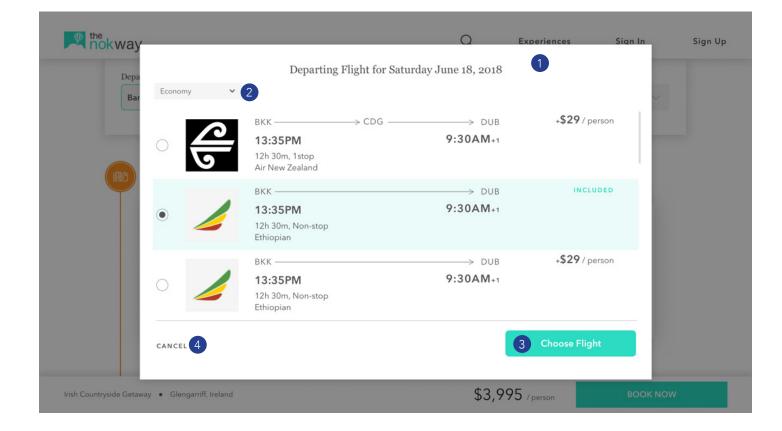

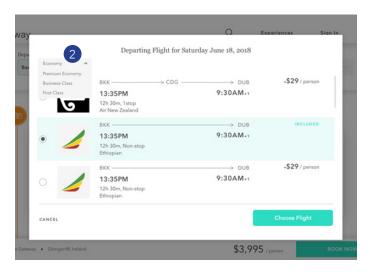

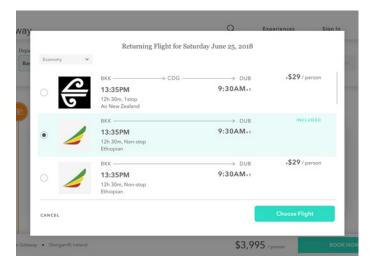

ANNOTATIONS

- 1 COLLAPSE ARROW
 Collapses the flights section.
- 2 EDIT
 Opens the "Choose Flights" pop up.
- MORE DETAILS Expands to show full flight details.
- 4 LESS DETAILS
 Collapses back to the default flight summary.
- 5 AIRLINE LOGO
 Displays the logo for the airline of the flight.

Experience Details - Flights (2/2)

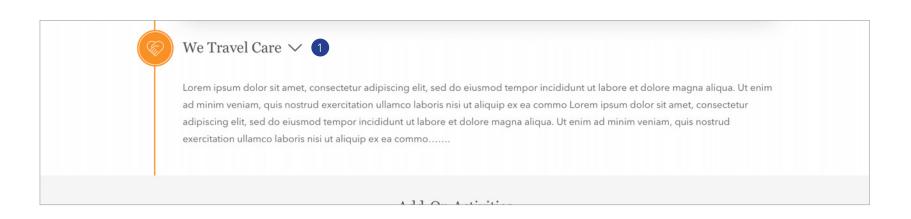

ANNOTATIONS

- 1 CHOOSE FLIGHTS POP UP
 Displays either "Departing Flight" or "Returning Flight" in the header along with the date. Displays the available flights with radio buttons. If there is an additional cost for a flight, it is displayed to the right of the flight. If there is no additional cost, the word "included" is displayed.
- 2 AIRFARE CLASS DROPDOWN MENU Selects the class of airfare tickets reflected in the list below.
- 3 CHOOSE FLIGHT Closes the pop up and changes the Experience Details to show the selected flight.
- 4 CANCEL
 Closes the pop up without making changes.

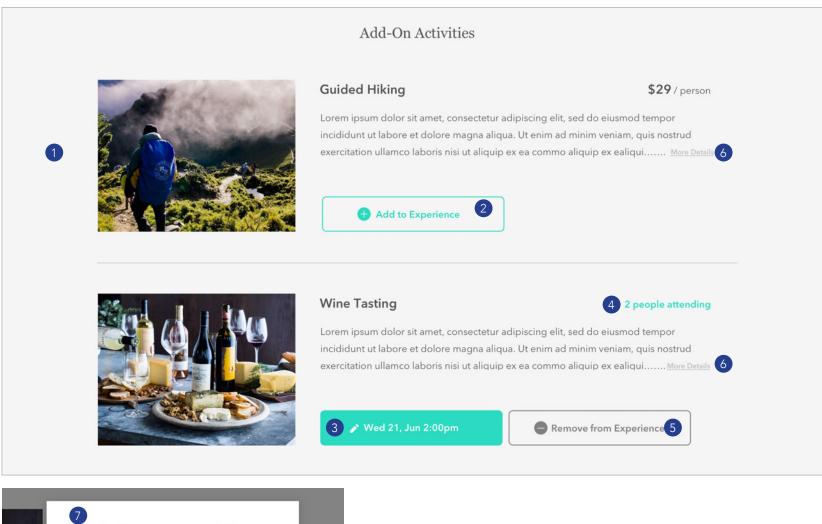

Experience Details - We Travel Care

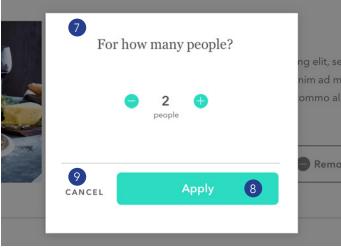

ANNOTATIONS

1 COLLAPSE ARROW
Collapses the We Travel Care section.

Experience Details - Add On Activities

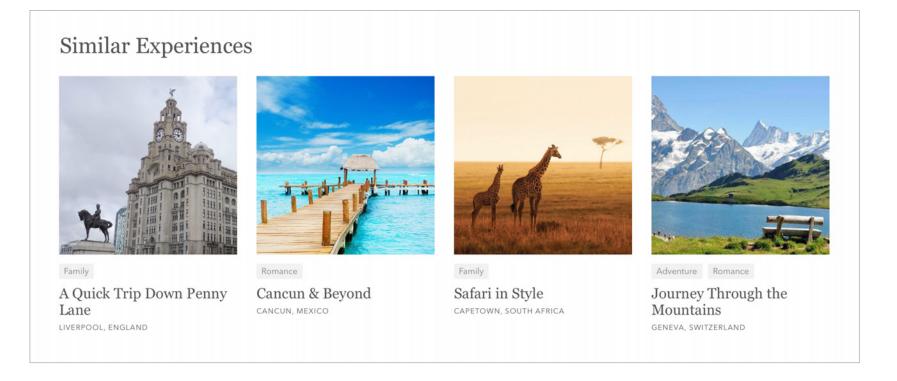

ANNOTATIONS

- 1 ADD ON ACTIVITY

 An activity the user can choose to add to the experience if desired. The cost per person is displayed to the right of the activity.
- 2 ADD TO EXPERIENCE BUTTON
 Adds the activity to the experience, replaces the Add to Experience button with the Activity Time button, replaces the price per person with the Number Attending Link. The Remove from Experience button appears.
- 3 ACTIVITY TIME BUTTON
 Opens the "Available Dates and Times" pop up. (See Experience Details Activity).
- 4 NUMBER ATTENDING LINK
 Opens the "For How Many People" pop up.
- 5 REMOVE FROM EXPERIENCE BUTTON
 Removes the activity from the experience and returns the add on activity to its default display state.
- 6 MORE DETAILS
 Expands the text to show the full description.
- FOR HOW MANY PEOPLE POP UP
 Clicking the "+" and "-" buttons changes the number of people attending the activity.
- 8 APPLY
 Closes the pop up and updates the Number Attending Link according to the user's selection.
- CANCEL
 Closes the pop up without making changes.

Experience Details - Similar Experiences

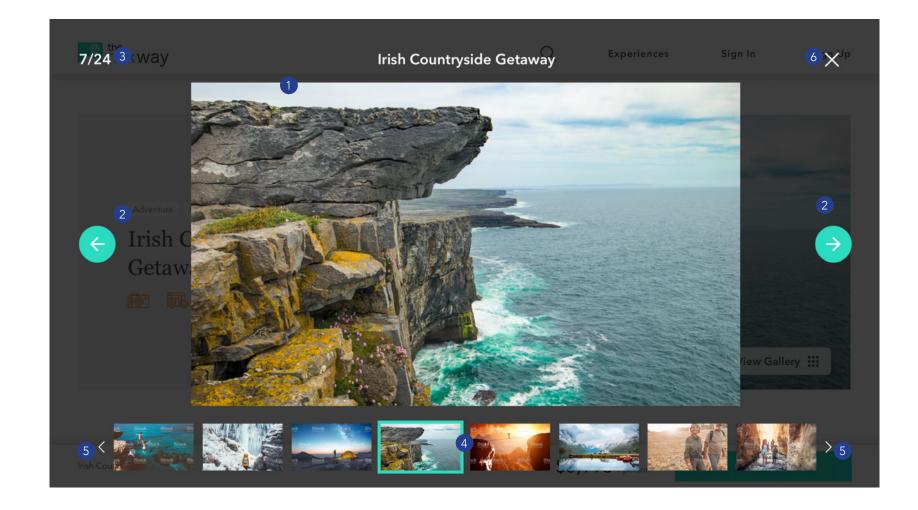

ANNOTATIONS

SIMILAR EXPERIENCES

Displays thumbnails of similar experiences. Thumbnails have the same functionality as on the Experiences page.

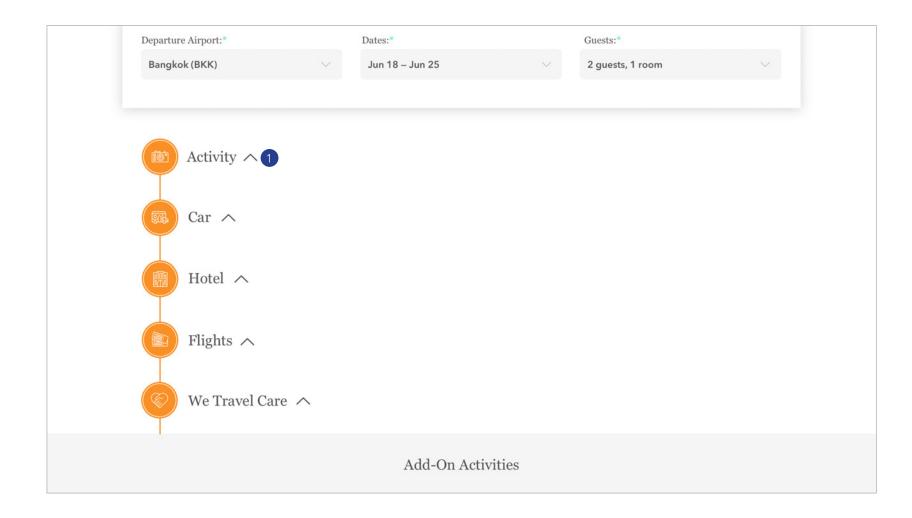

Experience Details - Gallery

ANNOTATIONS

- 1 GALLERY CAROUSEL User can manually click through the photos, which are on a loop.
- 2 ARROWS
 Clicking moves the user backwards and forwards through the gallery.
- 3 PHOTO NUMBER
 Displays the number of the current photo, and the total number of photos in the gallery.
- 4 GALLERY THUMBNAILS
 The current photo is highlighted. Clicking on a thumbnail selects that photo.
- 5 GALLERY THUMBNAIL ARROWS
 Clicking moves the thumbnails forward or backward by the number of thumbnails that fit on the page.
- 6 X ICON Closes the Gallery.

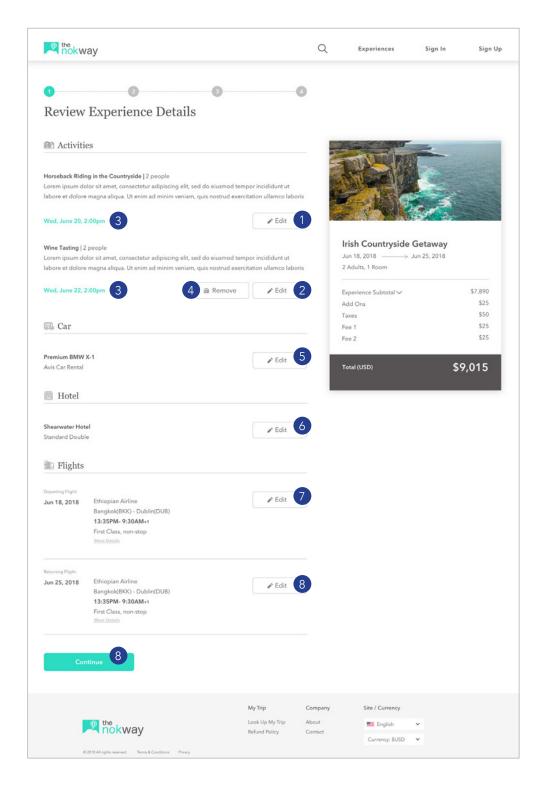

Experience Details - Collapsed Sections

ANNOTATIONS

1 EXPAND ARROW Expands the corresponding section.

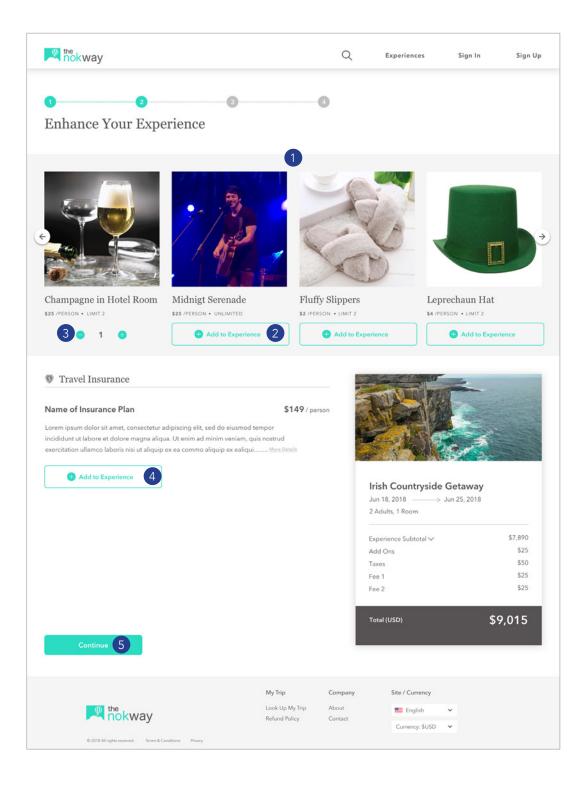

Checkout - Review Experience Details

ANNOTATIONS

- 1 EDIT (MAIN ACTIVITY)
 Opens the "Select Activity" pop up.
- EDIT (ADD ON ACTIVITY) Opens the "For How Many People" pop up.
- 3 DATE AND TIME LINK
 Opens the "Activity Dates and Times" pop up.
- 4 REMOVE
 Removes the Activity from the experience and updates the Price Breakdown
 Box.
- 5 EDIT (CAR)
 Opens the "Available Rental Cars" pop up.
- 6 EDIT (HOTEL)
 Opens the "Available Hotels" pop up.
- 7 EDIT (FLIGHT)
 Opens the "Choose Flights" pop up.
- 8 CONTINUE BUTTON
 Clicking takes the user to Checkout Enhance Your Experience.

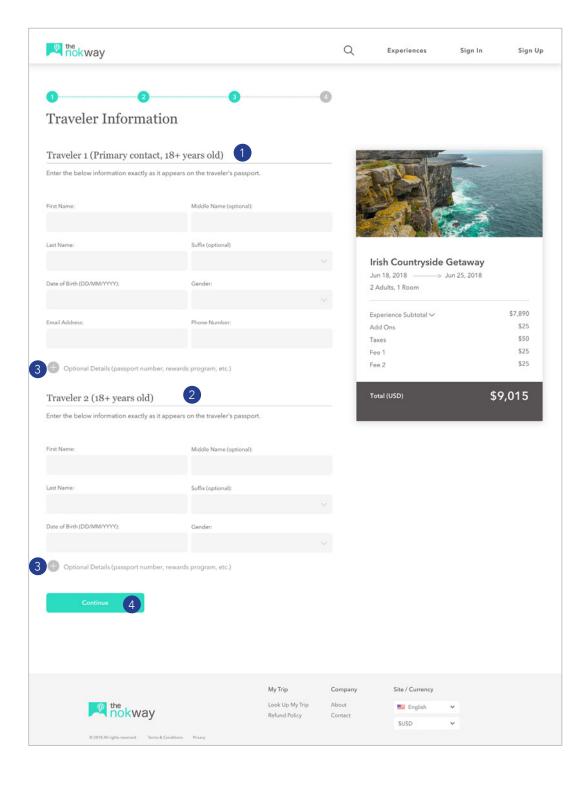

Checkout - Enhance Your Experience

ANNOTATIONS

- 1 ADD ONS CAROUSEL
 Displays experience add-ons that are not date/time sensitive. Clicking the arrows moves to the next 4 or previous 4 available add-ons. Carousel is on a loop.
- 2 ADD TO EXPERIENCE BUTTON (ADD ONS)
 Adds the add-on to the experience. The button disappears and is replaced with the Add On Number Picker, which defaults to 1.
- 3 ADD ON NUMBER PICKER
 Selects how many of that add on will be added. Clicking "+" increases the number by 1 (up to the maximum). Clicking "-" decreases the number by 1. If the number is already at 1, clicking "-" replaces the Add On Number Picker with the "Add To Experience" button.
- 4 ADD TO EXPERIENCE BUTTON (INSURANCE)
 Adds insurance for the total number of guests. The Add to Experience button is replaced by the Remove From Experience button.
- 5 CONTINUE BUTTON
 Clicking takes the user to Checkout Traveler Information.

Checkout - Traveler Information (1/2)

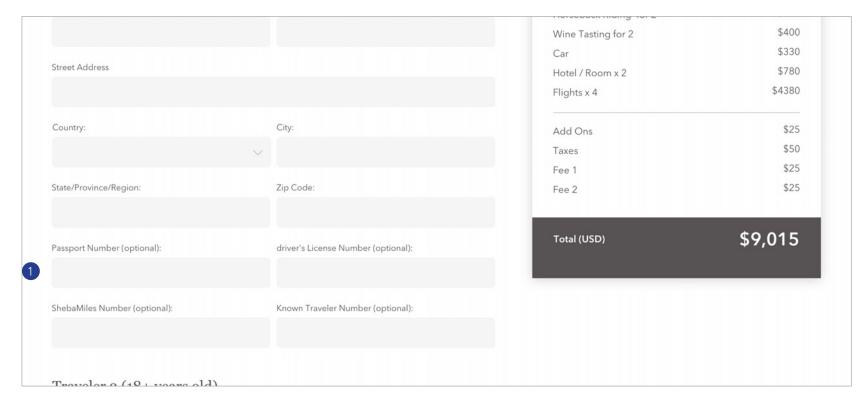

ANNOTATIONS

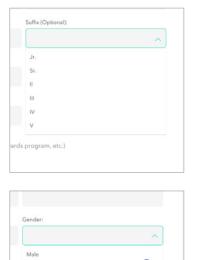

1 TRAVELER 1

The primary contact for booking the experience. The user is required to enter first name, last name, DOB, gender, email address, and phone number for this traveler.

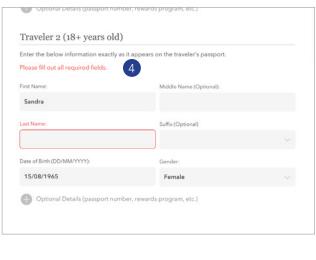

- 2 TRAVELERS 2+
 As many additional travelers as necessary are displayed, along with required ages. The user is required to enter first name, last name, DOB, gender, email address, and phone number for all travelers.

FEATURED EXPERIENCE • FAMILY

Historical Heritage Tour in Cuba

Bereft of modern interference, Cuba's colonial cities haven't changed much since musket-toting pirates stalked the Caribbean.

See Full Experience Details →

FEATURED EXPERIENCE • ROMANCE

Astonishing Beaches in Sydney

Whether you're staying in a luxury hotel in Havana or exploring the rural charms of Vinales, in some ways it's all the real Cuba.

See Full Experience Details →

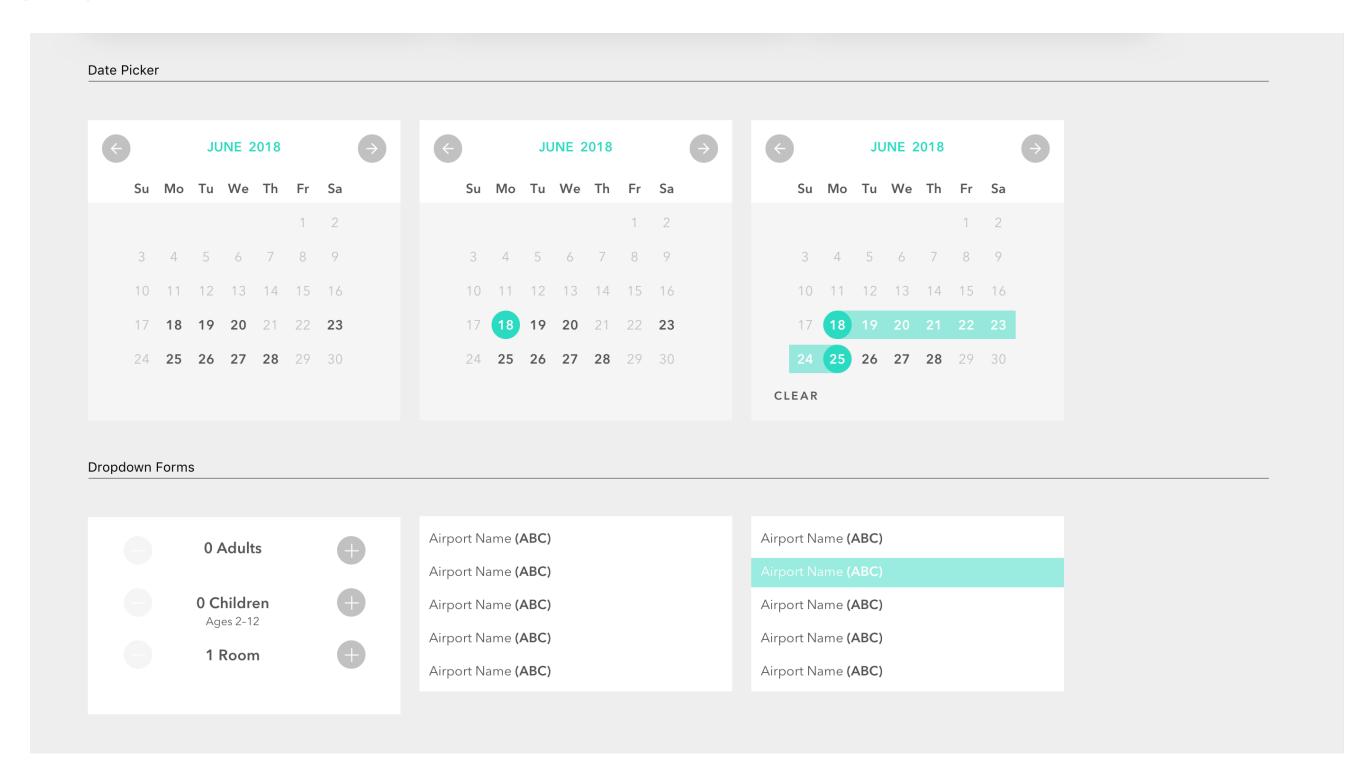

FEATURED EXPERIENCE • ADVENTURE

Zepling over the Ocean in Bali

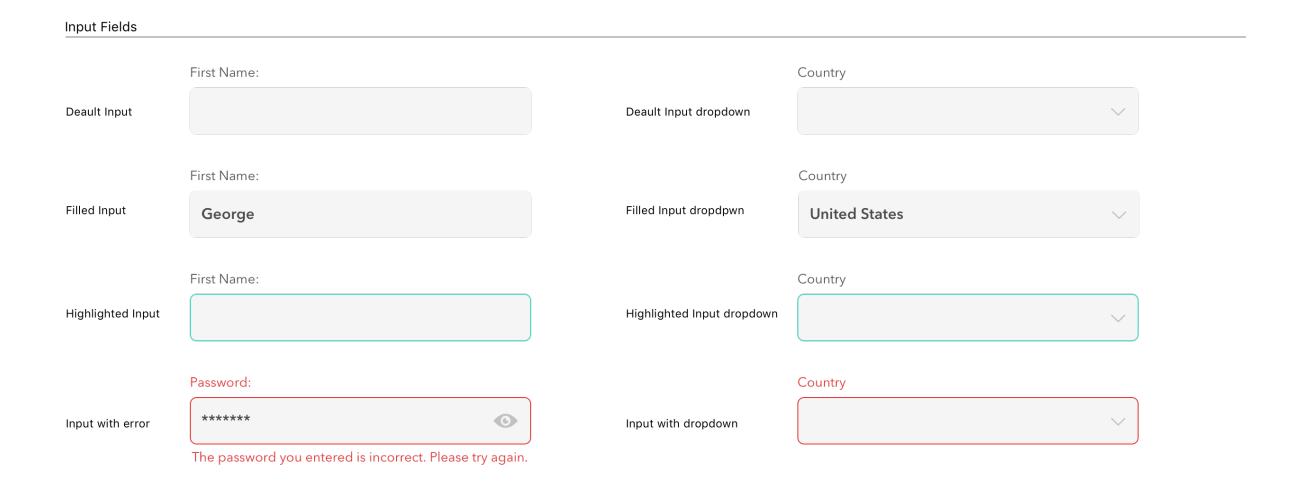

How does the thought of dangling over crashing waves of the sea sound? If your heart skips a beats reading this, then you should definitely try the Abyss Zipline where you zoom from the one rocky cliff
